### SPECIFICATIONS

Size	1", 1.25", 1.5"
------	-----------------

### PRODUCT DESCRIPTION

● Type C couplers are normally used with Type E adapters but can also be used with Type A and F adapters and DP (Dust Plug) of identical size.

● Polished Hose Barb for easy hose connection.

#### Product Description:

● The Type C is a Female Coupler x Hose Shank.

#### How To Use:

● To connect, slide the Type C Coupler onto a Male Adapter and then simultaneously close the two cam handles.

● To disconnect, lift up the cam handles and uncouple the two fittings.

#### To Install:

Insert the Hose Barb into a Hose and fasten it in place with a crimp collar or hose clamp.

**Will Connect with:**

- The coupler portion will couple with a **Male Adapter**.
- The Hose Shank will insert into to a Hose.

**Used for:**

- Installing a Female Cam & Groove into a Hose.
- Connecting with a Male Adapter of identical size.

**Sizes:**

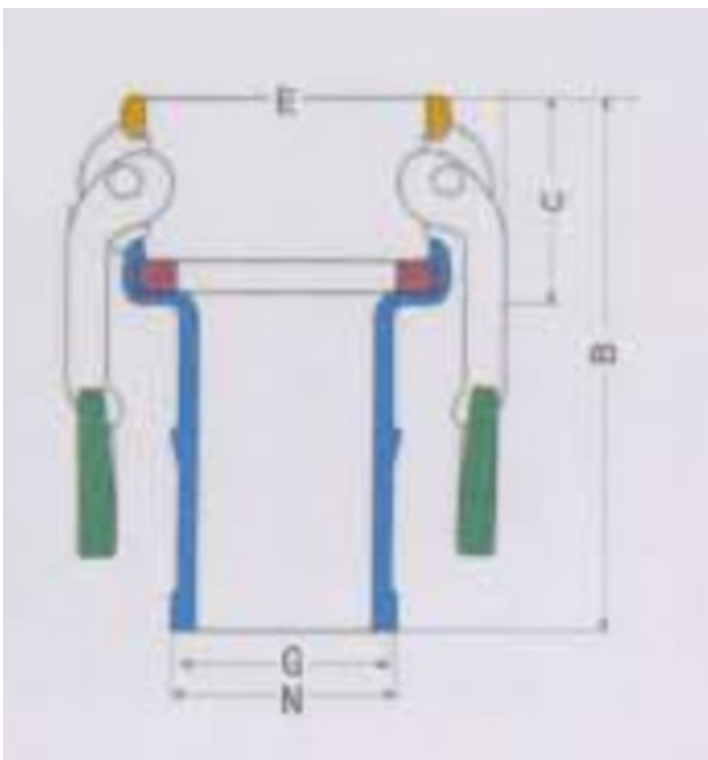

- This Aluminum Coupler is offered in sizes starting from 1/2" all the way up to 8".

**Material of Construction:**

- Constructed out of Aluminum.
- For other materials scroll down to **"Related Products"**.
